Blend and Tasting Notes

100% Xarel-lo

Clean, complex and elegant. Aromas of apple, pear and tropical fruits with notes of jasmine and mild aromatic herbs. Medium-body, complex and well balanced structure, gentle tannins and a perfect integration of fruit, mineral and oak flavors. Pair with oysters, scallops, salmon, grilled chicken, salads and soft cheese plates.

Winemaking Notes

Fermented in stainless steel and matured in new French oak barrels for 4 months. Battonage to obtain more aromas and smoothness to the palate.

Our philosophy is to respect the grape in order to get natural products. We vinify with very low levels of residual sugar and only use grapes harvested in our estates. We use slow pressings in various stages to get the best from our grapes. We also work with local yeasts to maximize the expression of the terroir.
