

CALATHUS

Cabernet Franc 2020

Calathus: Wines are produced by Finca Don Carlos winery, where winemaker Gustavo Silvestri and viticulturist Patricia Conte work together in growing some of the finest grapes from the 50 hectares planted on the property, creating outstanding and expressive wines that are true to their varietal and reflect the unique characteristics of their terroir. With a total capacity of 116,000 liters, the winery is equipped with temperature-controlled stainless-steel tanks and state-of-the-art equipment.

Tasting notes: Concentrated purplish-red color. A complex nose with red fruits and aromatic herbs. Touch of balsamic releases after a moment in the glass along with spices, chocolate, and coconut from the combination of American and French oak. Intense but with refreshing acidity that makes it smooth and supple. Juicy with firm tannins and a long fruity finish.
