Don Silvestre Chardonnay has a golden color, bright and clear with hints of emerald. It offers a persistent aroma of pineapple and vanilla, and a delicate buttery sensation in the mouth.

### ***Don Silvestre Malbec***

Intense, dark red color with violet notes. In the nose it shows complex aromas of red fruits, plums and leather notes. In the mouth it is round, medium-bodied and well-structured, with soft tannins and a very elegant finish.

### ***Don Silvestre Tempranillo***

Ruby red color, intense and bright. Aromas of mature cherries, blackberries and dark chocolate. In the mouth it is medium-bodied, with intense acidity, characteristic of Tempranillo grapes. It has a complex combination of red berries, light tobacco and vanilla.
