## Tasting Notes

Bright clean golden yellow. Multiple layers of tropical fruits with mild hints of honey and elegant notes of toasted caramel. Nice vibrant acidity in the front and mid palate, with multiple flavors of pineapple and citrus fruits. Full-body and balanced integration of fruit and oak. Fantastic long and smooth finish.

## Elaboration Process

The vineyards stand at 3,600 feet high, enjoying a privileged sun exposure and cool temperatures that allow the grapes to have a perfect ripening. The grapes are hand picked and selected in two sorting tables. Gravity flow winemaking. Temperature controlled fermentation in stainless steel tanks. The wine is aged in new French oak barrels (Taransud & Demptons) for 14 months before bottling.
