## Pinot Noir 2019

**Bodega Atamisque:** Located in the prized region of Tupungato at the foothills of the Andes Mountains by John and Chantal Monceau in 2002. Produced with respect for the environment and using long-term sustainable processes are the foundation in the construction of Atamisque, such as designing the winery to be based on gravity flow winemaking to avoid the use of pumps and minimize wine stress and utilizing the local slate in the area as tiling for the roof of the buildings providing perfect insulation and temperature control year-round.

**Tasting notes:** Lively floral and red fruit aromas, with cherries, cinnamon, and hints of cigar box. In the mouth, it is medium-bodied, elegant, and well-balanced, with smooth tannins and intense red fruit notes carried through the finish. Pair with poultry, red meats, pastas, cheese and cold cuts.
