

JAVIER OCHOA SERIES

Reserva 2014

Bodegas Ochoa: Bodegas: Since 1845 the Ochoa family has been making wine in Navarra, Spain. Javier Ochoa has passed the torch to the 6th generation; his two daughters Adriana and Beatriz Ochoa. Adriana has had extensive training in winemaking in Bordeaux and Australia and awarded 'Best Young Female Winemaker in Spain' by several wine publications. With the previous momentum of her father's work, Adriana pushes Ochoa forward with the help of her sister Beatriz who manages marketing and sales. Their 145 acres of vineyards and olive orchards are farmed according to European organic certification guidelines (certified as of 2018) along with the use of sustainable agricultural and winemaking processes.

D.O. Navarra: The Pyrenees mountains in the north, the Bardenas Reales desert in the south, and the Bay of Biscay (San Sebastian) one hour away, creates an interesting confluence of 3 climates; Atlantic, Continental and Mediterranean traveling north to south. This combined with a range of soils, altitude, sunshine and rainfall all packed into an area of 120 miles north to south and 60 miles east to west, allows for this small region to produce a variety of styles of wines from many different varieties. Very few wine regions can offer this level of quality in white, rose and dessert wines all in one viticultural area.
